KENTUCKY LIBRARY ASSOCIATION BOARD MEETING SEPTEMBER 15, 2010

SOUTHEASTERN LIBRARY ASSOCIATION (SELA) REPORT

SELA sponsored a preconference session, Expanding Services without Expanding Budgets, at the Georgia COMO (Council of Media Organizations) Conference in Columbus, Georgia on Friday, October 9, 2010. The Board met at that time. The Board discussed the drop in membership. Several suggestions were made for attracting new members. Some included, a challenge that each member enrolls one new member, that committee chairs contact their members throughout the year to keep them active, committee chairs should recruit members for their area of interest, requesting permission from state associations to batch mail their members, and that each state library association should be encouraged to have a staffed table at their association conferences.

The SELA conference will be September 26 - 28, 2010, Peabody Hotel and Statehouse Convention Center, 3 Statehouse Plaza, Little Rock, AR 72201.

The Kentucky Library Association voted at the June 2010 Board Meeting to end its affiliation with SELA.
